# Cutting out the Economy Patch Blocks

At the end of these directions are three different options for constructing one of the Economy Patch Blocks - rotary cutting, templates, and foundation pattern - all generated from Electric Quilt 5.

*Foundation Pattern Notes: The entire pattern does not fit on one page, because this is a 10½" x 10½" unfinished block on 8½" x 11" paper. Before you cut out the foundation patterns, line up the two pages on a light box or in front of a window. Use the long and short dashed lines as your guide and tape the two pages together to get the full pattern.*

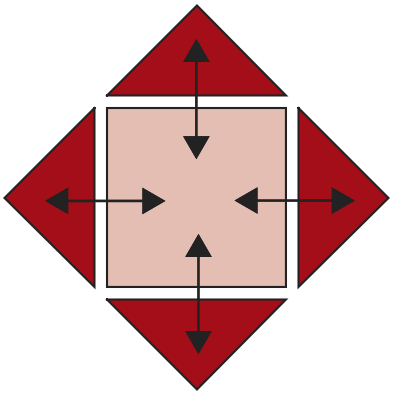
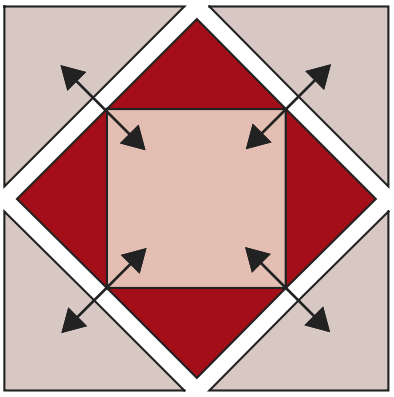
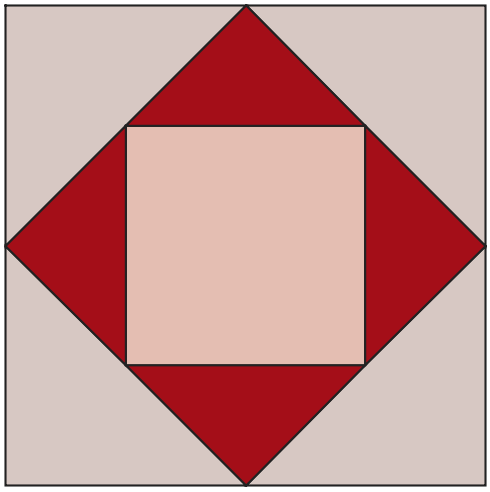
# Sewing the Economy Patch Blocks



*Step 1*



*Step 2*



*Finished Block*

# *Constructing the Quilt*

1. Make 24 Economy Patch Blocks.

2. Using the quilt pictured as a guide, sew 8 Economy Patch blocks together into a row. Repeat this two more times so you have 3 separate rows of 8 blocks.

3. Measure the length of a row of Economy Patch blocks. It should measure 80 1/2". If your measurements are different, you will need to adjust the length of the strips cut in the following steps to fit your blocks.

4. From the 2 1/4 yards of your floral print 5560-01, cut (3) 10 1/2"x 80 1/2" strips (or cut to fit your Economy Patch rows).

5. From the 2 3/8 yards of 5560-01, cut (1) 10 1/2" x 85 1/2" strip and (2) 9" x 85 1/2" strips. Trim the 10 1/2" wide strip to 10 1/2" x 80 1/2" (or cut to fit your Economy Patch rows).

6. From the 2 1/2 yards of your stripe 5565-21, cut (8) 2 3/4" x 90".

7. Cut (5) 2 1/2" x 90" strips from the remaining stripe fabric for the binding.

8. Trim six of the 2 3/4" x 90" strips cut in step 6 to 2 3/4" x 80 1/2" (or cut to fit your Economy Patch rows). Sew a strip to either side of each of your Economy Patch rows.

9. Using the quilt pictured as a guide, alternate the 10 1/2" wide large focal strips with your pieced rows and sew.

10. Refer to the Quilt Information page to cut the borders for your quilt top

11. Sew a long strip from step 6 to the top and bottom of your quilt top.

12. Sew a long focal strip from step 5 to the top and bottom of your quilt top.

13. Quilt, Bind, and Enjoy.
